

Market Survey-Opinions

Your opinion as experts working in the Real-Estate / Financing / Distressed-Asset and Loan-Business is interesting for you, for us and for others working in that business sector.

Here we want to make actual and interesting questions and hope to get some answers! You can always see the result to get a benefit out of it and we appreciate comments, other interesting questions from you!

To find easier, what you are interested in, we already structure questions / videos in some sections:

- Banking (Distressed)
- Organization
- IT
- Asset-Management
- Real-Estate

- - Banking 1 4 Solutions for getting rid of NPL / Distressed Assets

- - Organization CFS - Manager API. How do you get the partnerdata?

- - Banking 2 Your experience of a big RE - NPL Portfolio transaction. What was the key factor ?
